

Bridging the Gap from Treatment or Corrections to A.A. Through Temporary Contact Programs

The Corrections Service Coordinator and Treatment Service Coordinator of the North Florida Area Conference (Area 14) would like to take this opportunity to provide information about "Bridging the Gap," a temporary contact program to help those exiting a treatment or corrections program make the transition to regularly attending meetings and becoming involved in Alcoholics Anonymous. This is not a sponsorship but a temporary contact with a member of Alcoholics Anonymous who will take newly recovering alcoholics to meetings, introduce them to other recovering alcoholics, make certain they get phone numbers, and share the experience of home groups. If you would like further information about the "Bridging the Gap" program contact Area 14 corrections or treatment service coordinator at: treatment@aanorthflorida.org or corrections@aanorthflorida.org
