

# All Archivists/DCMs/GSRs

• In the Archives Room at the next Assembly there will be a Treasure Box. We invite all AA Members to bring a piece of your District's history and put it in the box. Your piece of history could be:

- An Old program
  - A copy of a document
  - A copy of a picture
  - A brief written history
- Anything that represents your Group/District/Area History. The intention here is put everything in a binder and place it in our Archives display. For further info please contact the Archives Service Coordinator at:
